dekboard.co.uk

HIGH QUALITY HOT TUBS

DekBoard hot tubs come with an industry-leading warranty, so you have peace of mind in your investment.

Our stylish hot tubs are hand-crafted to ensure the ultimate luxury and enjoyment - time and time again. With simple designs, the tubs are easy to install and maintain, whilst being made from long-lasting, durable materials and offering the utmost in safety features.

HSG282 compliant hot tubs

DekBoard hot tubs are HSG282 compliant. This means they can be used across holiday and residential parks throughout the UK. Whether you're a holiday-let owner or simply looking for a top-quality spa, HSG282 compliant tubs are the ideal choice.

Decking, balustrade and hot tub solutions

INDUSTRY LEADING WARRANTY

DekBoard hot tubs come with an industry-leading warranty, so you have peace of mind in your investment.

10 year shell limited warranty

We warrant against the loss of water through the shell caused by defects in materials and workmanship for 10 years from the original date of purchase.

Three year component limited warranty

We warrant the electrical components, pumps, air valves, slice valves, and hot tub components against malfunction, leaking or defects in materials or workmanship for a period of three years from the original date of purchase. There are exclusions to the component warranty.

Three year no leak limited warranty

We warrant the hot tub to not leak for a period of three years from the original date of purchase.

10 year Permawood™ cabinet limited warranty

We warrant the Permawood™ cabinet material to be free from defects in material and workmanship for a period of 10 years from the original date of purchase.

Five year heater limited warranty

We warrant the heating element of the hot tub to be free of defects in materials and workmanship for a period of five years from the original date of purchase. Exclusions can be made in cases where improper chemical balance has been found to be the cause of failure.

HP1

Our HP1 hot tub is the shallowest in our range, but has all the features and benefits of our larger spas.

This perfectly compact and stylish hot tub can comfortably accommodate four adults, with unrestricted seating for optimum flexibility and relaxation.

It's also equipped with our DTS™ (Dual Therapy System), offering a combination of high volume whirlpool flow and targeted direct pressure jets.

With our DTS (Dual Therapy System) a combination of high volume whirlpool flow and targeted direct pressure jets.

HSG282 COMPLIANT HOT TUBS

Our HSG282 hot tubs offer simplified topside controls, so you or your guests can operate the jets and lights with ease, whilst viewing water temperature. All other controls can be password protected, to ensure peak performance and cost-efficiency.

Our tubs also come with self-dosing water treatment devices and quick drain facilities, fitted as standard. Ideal for hassle-free maintenance and quick set-up / put-away.

The new TPS00 Topside features hidden temperature buttons (under the logo) that if pressed display a "temp lock" message after this feature is enabled. Enter a combination of the buttons to easily lock and unlock the temperature settings.

BP200 Pack with 2Kw Heater

In-Line Chlorinator

2 inch Quick Drain

HSG282 testing kits

Our HSG282 testing kits come with everything you need to test for compliance, including:

- Photometer tester and batteries
- Testing pots
- 3 x test strips for TDS / Chlorine / Bromine / Alkalinity & PH
- Cleaning brush

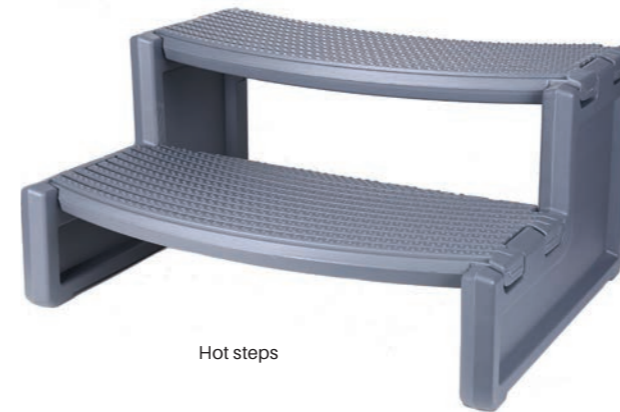

HOT TUB ACCESSORIES

We offer a range of accessories to complement your new hot tub. These include a hot tub opening bar and hot steps, ideal to make your spa experience as enjoyable as possible.

DURABLE, EASY-TO-MAINTAIN SHELLS

Our hot tub shells are made from High Density Polyethylene (HDPE), offering a much greater tensile strength than acrylic alternatives. This extreme durability means all spas come with a 10 year warranty, so you have peace of mind in the quality of your investment.

Easy to clean

Our hot tubs are also easy to clean using a soft cloth and most non-bleach, household cleaners, glass cleaner, or a vinegar and water solution.

We provide full care and maintenance instructions to help you effortlessly maintain the beautiful matt finish that keeps your tub looking great for years to come.

ABOUT DEKBOARD

At DekBoard we supply decking and balustrade systems for static caravans, lodges and park homes across the UK. We're decking and balustrade experts with over 40 years of experience in PVCu manufacturing.

Our UK-made decking systems are not only stylish and modern in design, but also durable, low maintenance and 100% recyclable.

As more and more families and couples choose the UK for holidays and park living, we aim to help maximise outdoor living spaces – offering decking and balustrade systems and additional products, such as hot tubs, lighting, ramps, gates and skirting.

For more information on our decking range, take a look at our website www.dekboard.co.uk.

Installation service

DekBoard works with a trusted network of Authorised Installers across the UK. So no matter where your holiday home is located, we'll have an experienced, local installer on hand to supply and install your tub – quickly and without fuss.
